

ECCLESHALL FLOOD ACTION GROUP

**Concerned about Eccleshall streets
flooding with water polluted with sewage?**

**This is your chance to find out more about the problem
and discuss with the experts**

**Including a presentation by Jeremy Cassie of WSP on
the subject of –**

**MODELLING OF SEWERAGE SYSTEMS FOR STW
WITH PARTICULAR REFERENCE TO ECCLESHALL
AND TO HOUSING DEVELOPMENTS TAKING PLACE
NOW AND IN THE FUTURE.**

**THE ROYAL OAK – Function Room
THURSDAY 31st JANUARY
5.30pm**

TOGETHER WE ARE STRONGER

Please come along and support your Flood Action Group and show Severn Trent Water that sewage flowing down Eccleshall streets during storm conditions is not acceptable to Eccilians.

EVERYONE WELCOME
