Guidance for Families using Croxton Play Area

Eccleshall Parish Council will be opening this play area on Saturday 4th July 2020. To ensure you are ready to use the play area safely please read these simple instructions and plan ahead for safe fun this summer.

1. Parents must read this guidance and ensure their families follow it carefully for the safety of their children and others.
2. This equipment is checked regularly for damage, wear and tear, **but is not cleaned or sanitised.**
3. This is shared equipment, used at your own risk.
4. Do not use this equipment if you or any member of your household has coronavirus symptoms or are self-isolating.
5. Encourage everyone in your family to cleanse their hands with hand sanitiser regularly and **as a minimum** before and after using the play area.
6. Encourage children to avoid touching their faces.
7. **Do not** consume food and drink in the play area.
8. You **MUST** maintain social distancing from others unless they are from the same household – current advice is to maintain at least 1m and consider wearing a face mask. 2m is preferable.
9. Some equipment can only be used by one child at a time while social distancing, unless children are from the same household. Please ensure your family waits at a safe distance if the equipment is in use or return later to use the equipment.
10. Try to avoid busy times. It is advised that no more than 6 children use the play area at one time. If children are from the same household, this can be increased to 8.
11. If your family is wearing disposable PPE, please take it home with you for disposal. If the litter bin is full, please take all litter home with you. **DO NOT LITTER.**
12. Wash your hands when you get home or have access to washing facilities.
13. Children should be accompanied by a responsible family member to ensure adherence to this guidance.
